CIARAN TROTMAN MIXED REALITY DESIGNER

EXPERIENCE INDUSTRY AND FREELANCE

ATKINS IMMERSIVE MEDIA DESIGNER

November 2018 - Present

Working as part of a large multidisciplinary design team across multiple sites within Atkins. Responsibilities include user experience and interface design and prototyping. Work directly with a large range of international clients in different sectors to design and deliver a wide range of digital products for VR, AR, and desktop. Also tasked with designing and maintaining internal products and pattern libraries to be used by both the design and developer teams.

LOGITECH MIXED REALITY INTERACTION DESIGNER

January 2017 - September 2017

A member of the virtual and augmented reality research and development team at Logitech. Main responsibilities were developing a prototyping platform and work-flows to allow the design team and software engineers to work in parallel to rapidly develop prototypes. Also worked on the interaction design of an exploratory project, tasked with creating demos and software and hardware prototypes.

McPRO LTD BRAND IDENTITY AND WEB DEVELOPER

May 2016 - July 2016

Web design and brand development for an established Irish construction consultancy.

DIGITAL VEIL CO-DESIGNER

July 2016

Oversaw the design for manufacture, digital fabrication, and assembly of a large multi-media installation piece as part of the F.A.M. Project run in conjunction with Ultralab in Madrid.

EXERTIS DESIGN CONSULTANT

June 2016 - August 2016

Team member designing computer peripherals for an established product line of LINX tablets.

GIGLIOTTI DESIGN CONSULTANT

November 2015 - March 2016

Worked as a design consultant for a start-up company to design their flagship product targeted at luxury hotels. My role was to develop initial stage concept designs to help secure venture capital.

EDUCATION COURSES AND COLLEGES

UNIVERSITY OF LIMERICK B.Sc. PRODUCT DESIGN AND TECHNOLOGY

September 2014 - August 2018

Graduated with a First Class Honours Bachelor of Science Degree in Product Design and Technology at the University of Limerick.

UNIVERSIDAD DE LEÓN DELE B2, LENGUA Y CULTURA ESPAÑOLAS

June 2012 - July 2012

Summer term in León, Spain graduating with a DELE B2 qualification in Spanish language and culture.

INFORMATION

Ciaran Trotman

1309 Fabrick Square,
1 Lombard Street,
Birmingham,
B12 0AD
United Kingdom

I am a designer who works between the boundaries of technology and design. I explore how those technologies impact the world around us.

I am currently working as an Immersive Media Designer at Atkins in the UK.

I am constantly looking for the opportunity to work with new people and collaborate on new and interesting projects.
